Neither a list of Officials nor even a reply from him. Mr. Nagesha Rao's name is not found in a list of Senior Officials which he had prepared before & kept in his office which obviously has been exhausted. The D.F.S. was requested again on 17.4.47 in connection with Mr. Nagesha Rao's appointment as R.O. Chikmagalur to send up a list as desired by the Minister for Law. This has not been complied with and even without making any reference to all this correspondence, the D.F.S. has now proposed the appointment of the same Official as R.O. Chikmagalur as a permanent arrangement proposing the Chikmagalur R.O. (on leave) be posted as R.O. of Sira town where introduction of Legal Card Rationing has been newly sanctioned. In fact these postings have already been made by him and he seeks approval of Govt thereto.

7) The appointments of Rationing Officers are important appointments of equal status as those of Dy. Builders who are appointed from a list approved by Govt after due scrutiny and as already ordered by the Minister for Law these appointments of R.Os have to be made from an approved list of fit and capable Officials of the Food Department. The D.F.S., it is submitted, must be prevailed upon to send such a list as already ordered and, if approved, a strongly worded D.O. letter may be issued to him under the Secretary's signature to send the list immediately, as indicated. Rationing into 3 more towns (Shimoga, Tarikere and Bhadravati) have recently been ordered by Govt and rationing is likely to be introduced in other towns also and several appointments of R.Os will have to be

21) The name of Mr P Nageshe Rao is not found in the list, most probably because the DFS has Considered that he is already been posted as ARO to Chikmagalur. In view of the Circumstances already reported by the DFS, the action taken by the DFS in continuing Mr P Nageshe Rao as ARO at Chikmagalur may be approved.

22) With regard to the the proposal to Appoint 4 new ARO, kind reference is invited to the order of the Minister for Law (Flag "H") of the enclosed file, which lays down that the Revenue Commissioner may be Consulted in future in making these appointments. The idea underlying that order appears to be, as can be seen from a Kind perusal of the notes that precede it, that while making appointments to the posts of ARO, (which are equal in Status to those of Deputy Commissioners) the claims of Senior men in the Revenue Department also should be Considered and not that the Selection should not be confined to only those in the food department. The Revenue Commissioner does not appear to have been Consulted in the present instance.

23) It is for orders whether the DFS may be requested to Consult the RC also and give a list of Officials fit for promotion taking the above criteria into Consideration

It would not be proper to make these appointments in view of the specific observations in Para 21 (Page 14) of the enclosed file.

33) But in view of the fact that rationing has to be immediately introduced in Bhadravati Taluk, the present proposal of the D.F.S. may be approved subject to the condition that it is not prejudicial to the seniority of others, and that the final appointment will be made only on the basis of the list to be agreed upon by the R.C & the D.F.S. 571/F.S. Appointment of Assistant Rationing Officers

Continuation Sheet. File No. / Current No. Page.

(44) This relates to the appointment of the Assistant Rationing Officers for Sira, Chickmagalur, Shimoga, Sagar, Bhadravati and Arsikere Towns. It is clear from the collections placed below that the Government ~~are~~ were of the opinion that as these appointments were of sufficiently high status and being in rank equal to those of Deputy Amildars, particular care and attention should be taken by the authorities in making proper selections and also to ensure that the appointments were made fairly, with reference to seniority of the officials concerned etc.

(45) It was observed by the Minister for Law on 28.1.1947 in para 21 (flag HH) of the enclosed file, that in future "it appears desirable that in making these appointments the Revenue Commissioner may also be consulted so far as officials belonging to the Revenue Department are concerned". From the collections leading to that particular order, it appears that the selection of persons to be appointed as Assistant Rationing Officers need not be confined to officials of the Food Department alone. In fact, the Secretary has suggested in paragraph 12 of the same collections that "three from the Food Department and two from the Deputy Amildars' list if available" may be appointed. It does not appear from the previous orders on this subject that any definite rule regarding the mode of making these appointments has been laid down. It would therefore be very desirable now to lay down a definite mode of selection for appointment as Assistant Rationing Officers so that there may be no misunderstandings on this subject. It would probably be necessary to give more weightage to the officials who have worked for a long time in the Food Department because of their experience, but it would be at the same time desirable not to overlook the claims

Collection A 211-46(1-2) P HH (Coll. A 211-46-1-2)

of senior officials in the Revenue Department. It may be mentioned that the Revenue Commissioner has recently sent a list of 12 people from whom selection could be made. In order to lay down a definite procedure as suggested above, it might be desirable to prepare a list of officials for being appointed after consideration by a small committee consisting of (1) the Revenue Commissioner (2) the Director of Food Supplies (3) the Secretary to Government, Food and Civil Supplies, (4) the Revenue Secretary to Government and (5) the Public Service Commissioner (if considered necessary). If the list is finalised by such a committee, there might probably be no grouse from any quarter and it might remove the causes for heart-burn among officials.

(6) In the list now sent by the Director of Food Supplies (Flag QQ) are found the following:-

(A) Included in the Unit of the Director of Food Supplies.-

1. Mr.T.V.Srikantiah,
2. " M.V.Puttanna,
3. " B.Sampangi Rame Gowda,
4. " Rahman Sheriff,
5. " B.K.Viswanatha Rao,
6. " K.Ramaswami Iyengar.

(B) Attached to the Deputy Commissioners of Districts.-

1. Mr.B.Subba Rao,
2. " M.M.Venkoba Rao,
3. " B.Nandiswar.

Of these officials, the Director of Food Supplies has already posted Mr.T.V.Srikantiah, as Assistant Rationing Officer, Shimoga, Mr.M.V.Puttanna as Assistant Rationing

Officer

Officer, Sagar, and Mr.Sampangi Rame Gowda as Assistant Rationing Officer, Arsikere. The next person in that list is Mr.Rahman Sheriff and it was reported by the Director of Food Supplies in his letter dated 15.7.1947 that this official had been appointed as Assistant Rationing Officer, Bhadravathi, but as he represented that he was unable to go to Bhadravati owing to personal and family difficulties, he was passed over. In this vacancy of Bhadravati, the Director of Food Supplies has recommended in the same letter that Mr.H.N.Shankarappa till recently Food Inspector in Shimoga might be appointed. This proposal was approved in paragraph 35 above in view of the fact that rationing had to be introduced in Bhadravati with effect from 1.8.1947 but the appointment was made subject to a specific condition that it was not prejudicial to the seniority of others and that the final appointment would be made only on the basis of the list to be agreed upon by the Revenue Commissioner and the Director of Food Supplies. It has to be pointed out that the name of Mr.Shankarappa is not found in the Eligibility List prepared by the Director of Food Supplies himself. It is not understood why his name was recommended in preference to the names of four others who were waiting in the same list. It is also not known whether the names of officials drawn from the units attached to the Deputy Commissioners of Districts are all junior to the list in the unit of "A" i.e., those included in/the Director of Food Supplies. A case in which the above may not be true may be pointed out. Mr.B.Subba Rao who is a Food Supplies Inspector in the Deputy Commissioner's Office, Bangalore, is No.1 in that list. Against his name, remarks have been shown that his case has already been recommended for promotion to Rs.150/- in his present appointment. This

This particular recommendation did not commend itself to Government as it was thought that it was not desirable to increase the pay of the post of a particular appointment to suit the incumbent -(Vide linked File Diary No. 8562.) The next person in that list is Mr.M.A.Venkobe Rao and he has been posted as Assistant Rationing Officer, Tumkur, in place of Mr.T.R.Rudraradhya who was a retired official and had been re-employed (Vide Director of Food Supplies' letter dated C1-8136/46-47 - Flag "NN"). Thus, it is seen that the claims of Mr.Subba Rao have been overlooked and a man placed below him ⊛ by the Director of Food Supplies himself has been appointed. Also, Mr.P.Nageshe Rao has been appointed as Assistant Rationing Officer, Chickmagalur and his name too is not found in the list. These instances are pointed out to show that there has not been any definite method adopted in the appointments of the Assistant Rationing Officers and that the list prepared by the Director of Food Supplies himself has not been followed.

51) In my considered opinion, it would be desirable

(a) to request the Director of Food Supplies to prepare a revised list of officials eligible to be appointed as Assistant Rationing Officers bearing the above observations in mind and also taking into consideration the claims of people working in the Districts in the Food Department so that they may not feel that people working in the Central Office were given undue preference;

(b) to lay down a definite procedure for appointments of Assistant Rationing Officers by a committee to be constituted as mentioned in paragraph 45 supra, if considered necessary;

Letter no C.— 7321/45-46 dt 4.7.1946, from the Director of Food Supplies, requesting that he may be permitted to appoint a senior experienced Official of the Food Dept as Assistant Rationing Officer, chitaldrug town.

1) In G.O. no Lo.92510-37/R:150-45-3 dt 19/20.6.1946 sanction has been accorded for the introduction of Statutory rationing in chitaldrug town with effect from the 1st July 1946 and for the appointment of an Assistant Rationing Officer and other Rationing Staff as per basic scale laid down in G.O. no Fo. 1317-27/A.232-43-3 dt 28/29.8.1946 15 Days in advance of the date of introduction of rationing. According to the said basic scale one Assistant Rationing Officer of the rank of a "Deputy Amildar" is allowed for each Taluk who would be in charge of rationing in the town and of the Reserve depot or depots. He is allowed his grade pay as Deputy Amildar, plus 20 per cent deputation allowance plus Rs 20/- Conveyance allowance per mensem

2) The D.F.S. drew reports that in view of the present distress conditions in chitaldrug town the need for organising Statutory rationing on a firm

case is very great and that it is highly desirable to appoint an experienced senior official of the Food Dept as Assistant Rationing Officer for the town rather than an officer of the rank of a Deputy Amildar having no experience whatever of the work of the Food Dept in general and of the rationing work in particular. He therefore requests permission to appoint a senior experienced official of the Food Dept as Assistant Rationing Officer, Cuttack town instead of an officer of the rank of a Deputy Amildar as per basic scale sanctioned in G.O. dt 28/29.8.1944. His proposal is for orders.

be obtained for such appointments in future. With regard to the present proposal the D.F.S. has not also specified the officials to be appointed as A.R.O. for Chitaldrug town.

4) The G.O. dated 28/29 S.44 contemplates the appointment of Dy. Amildars as Asst. Rationing Officers with their grade pay as "Dy. Amildar", D.A. as deputation allowance plus Rs 20/- C.A. The D.F.S. is now of the opinion that a senior and experienced officer of the Food Department should be posted as Asst. Rationing Officer, Chitaldrug town, in preference to Officers of the Dy. Amildar status having no practical experience of work in a rationed area. He seeks sanction of such appointment and has proposed any officer by name for approval. Generally, all the Dy. Amildars (except those recruited as Revenue probationers) are officials with previous experience and when Amildars in charge of Taluks are managing food markets and rationing work both in urban and rural areas, it would not be correct to say that Dy. Amildars cannot with equal efficiency manage the rationing work in rationed urban areas. Further, Dy. Amildars having already attained a status in service could be depended upon better to discharge the onerous and delicate duties of an Asst. Rationing Officer.

5) It would appear therefore, to be more desirable to stick to the G.O. dated 28/29. S.44 and appoint Dy. Amildars as Asst. Rationing Officers, Chitaldrug town. The D.F.S. may perhaps be requested to propose the appointment of a Dy. Am-

2) Municipal purposes will be served by discussing the merits of officers working in the Dept. of Food Supplies and Dy Assistants for appointed as Cert. Rationing Officers in legally rationed areas. It may be decided that by proper selection good officials may be found in both these groups.

The D.F.S's letter explains the circumstances in which appointments of Assistant Rationing Officers were made so far and the reasons why such appointments may be reserved to the officials working in the Food Dept either in the Central or Deputy Commissioners' units. It is stated that at present there is no Cadre wise list for the whole State, of officers eligible for appointment as A.R.O's. But he states that a list of officers eligible for appointment as Food Inspectors in future vacancies is under preparation in his office.

SIR,

Subject:- Appointment of Assistant Rationing Officers for urban areas - appointment of an Assistant Rationing Officer for Chitaldrug Town.

Adverting to Government order No.SD.1317-27/A.232-43-3 dated 28th/29th August 1944, sanctioning, inter alia, the appointment of an Assistant Rationing Officer of the rank of a Deputy Amildar for each Taluk in connection with the introduction of rationing urban areas and Government order No.SD.9250-53/R.140-43-3 dated 19th/20th June 1946 sanctioning my proposal to introduce statutory rationing in Chitaldrug town with effect from 1st July 1946 and to appoint the necessary staff, as per basic scale, I have the honour to state that for reasons already explained in my letters noted in the margin, so far, for appointment as Assistant Rationing Officers only senior and experienced officials of this Department have been selected in preference to Officers of the status of Deputy Amildars having no practical experience of work in a statutorily rationed area. Similarly in the case of Chitaldrug town, where the need for organising statutory rationing on a firm basis is all the more great, in view of the present distress conditions, it is highly desirable to appoint as Assistant Rationing Officer an experienced

and senior official of this Department, rather than select a [illegible] rank of a Deputy Amildar having no experience whatever of the work of the Food Department in general and of the rationing work in particular. I am of opinion that the latter course would be in the interest of efficiency to organise the work in newly rationed areas, in a satisfactory manner.

2. In these circumstances, I request that I may be permitted to appoint as Assistant Rationing Officer, Colombo, a senior experienced official of this Department instead of an Officer of the rank of a Deputy Amildar on the scale as stated in Government order No.SD.1317-27/A.282-43-3 dated 27th, 28th and 31st [illegible].

3. As statutory rationing is to come into force in Colombo town with effect from 8th July 1943, I request the favour of early orders of Government in the matter.

I have the honour to be,

D. O. No. C1-8136/46-47.

Dear Sir,

Subject: Appointment of an Assistant Rationing Officer to ~~Shimoga Town~~ Bhadravati Town.

I write to state that Mr.B.Sampangi Rame Gowda, Food Inspector Bangalore City, was appointed as Assistant Rationing Officer, Bhadravathi Town in this office memo No.C1-8136/46-47 dated the 26th June 1947 and he was asked to join duty immediately. He represented some personal inconvenience in going to Bhadravathi Town and requested that he might be given a chance when there is a vacancy of an Assistant Rationing Officer in Kolar District. The next official in the proposed eligibility list (vide list sent with my D.O.letter No.C1-8136/46 dated 17.6.1947) is Mr. Rahman Sheriff, who is a Food Inspector in Mysore City. He was appointed as Assistant Rationing Officer of Bhadravathi but this official also represented to me while I was in Mysore during the Birthday festivities that it is inconvenient to go to Bhadravathi Town owing to personal and family difficulties.

2. Bhadravathi is a very important town, in Shimoga District and the services of an efficient and capable Assistant Rationing Officer are required to manage the rationing work. Bhadravathi being a malarial place officials are ~~hesitating~~ reluctant to go there. It seems therefore necessary to post a local man in the interest of work. The Deputy Commissioner, Shimoga District has repeatedly recommended that Mr.H.N.Shankarappa who was till recently Food Inspector, Shimoga Town on Rs.80/- plus C.A. Rs.20/- may kindly be appointed as Assistant Rationing Officer in one of the vacancies in his District. This official has been in the Food Department, in the Shimoga Deputy Commissioner's Unit for the last 2-1/2 years. Copy of letter No.D.O.CS.CC.23/46-47 dated 17th June 1947 from the Deputy Commissioner, Shimoga to the Director of Food Supplies in Mysore, Bangalore.

I write to invite your kind reference to letter No.E1-C.4987/46-47 dated 9.6.47 in which you have stated that appointments of Assistant Rationing Officers for Shimoga, Bhadravathi (Old Town) and Sagar Towns would be made separately. According to the basic scale of rationing staff fixed in Govt. Order dated 28/29.8.44, the post of the present Food Inspector on Rs.80/- plus Rs.20/-, sanctioned in Govt.Order dated 5/9.1.45 will cease to exist from the date of introduction of statutory rationing. In this connection, I wish to state that the present Food Inspector Mr.H.N.Shankarappa has been doing good work and with the experience of unofficial rationing work for nearly 2½ years, his services will be of immense use in the present rationing. He is a B.A(Hons), B.T., and bears a good character.

2. I shall be obliged if you can kindly provide him in one of the posts of Assistant Rationing Officers, so that he may be retained in Shimoga Town under the present scheme.

II. Copy of letter No.CS.CC.23/47-8 dated 10th July 1947 from the Deputy Commissioner, Shimoga District, to the Director of Food Supplies in Mysore, Bangalore.

In continuation of my D.O.letter dated 17.6.47 recommending Mr.H.N.Shankarappa, Food Inspector, Shimoga Town for promotion as Assistant Rationing Officer in the newly sanctioned scale, for statutory rationing, I wish to state that Mr.T.V.Sreekantiah who has been appointed by you as Assistant Rationing Officer has reported for duty and Mr. Shankarappa is displaced. As I have already stated this official has done good work in the Food Department, during the 2½ years of his service as Food Inspector on Rs.80/- plus Rs.20/- He is a senior official in the Revenue Department on Rs.76/- in grade Rs.60-4-80. In view of the above facts I recommend that he may be appointed as Transport Supervisor for Shimoga District which I understand is going to be sanctioned early and will carry the pay and status of an Assistant Rationing Officer. In case this new appointment is not to be there, I request that you may kindly put him to Mysore City as Food Inspector in any one of the existing vacancies which carry a salary of Rs.100/- ~~xxd~~ plus 20/-

Re: Para 5.

From
K. Guru Dutt, Esq., B.A.,
Director of Food Supplies
in Mysore, Bangalore.

To
A. S. Khaleel, Esq., B.A., B.L.,
Secretary to Government, Food & Civil Supplies Department,
Bangalore.

Sir,

Subject: APPOINTMENT OF ASSISTANT RATIONING OFFICERS.

With reference to your letter No.SD.150/A.211-46-10 dated the 4th instant on the above subject, inviting my reference to your letter No.SD.6394/A.211-46-2 dated 5th February 1947 and asking me to consult the Revenue Commissioner and send a list of senior officials belonging to the Revenue Department who are considered fit for promotion as Assistant Rationing Officers, I have the honour to state that the Revenue Commissioner was immediately addressed in this behalf but no reply has yet been received from him.

2. In this connection I may state that the direction contained in your letter of the 5th February referred to above was as follows: "while sending up proposals regarding appointment of Assistant Rationing Officers in future the Revenue Commissioner may also be consulted so far as officials belonging to the Revenue Department are concerned." This was understood not as a general direction that the Revenue Commissioner was to be consulted every time proposals for the appointment of Assistant Rationing Officers were sent up, but that his views were to be obtained whenever officials belonging to the Revenue Department were recommended for such appointments. As things stand, the Revenue Commissioner may not be able to send up a list of eligible officials of his Department without consulting

all the Deputy Commissioners and this will necessarily take time. In the meantime rationing is due to be introduced into Shimoga, Sagar, Bhadravathi and Arsikere with effect from 1st August 1947 which is barely nine days off. It would therefore not be possible for the appointments to wait until the general list is received from the Revenue Commissioner.

3. It is impossible for the preliminaries to be completed unless the staff is set to work at least 15 days prior to the date of introduction of statutory rationing. Accordingly, the first two officials proposed in my list viz., Messrs. T.V.Srikantiah and M.V.Puttanna have been posted to Shimoga and Sagar respectively in anticipation of sanction of Government in view of the urgency, and they have entered upon their duties. As regards Bhadravathi and Arsikere, however, the officials selected have not entered on their duties. With reference to Mr.Sampangi Ramegowda I have already addressed you in my letter No.Cl-8136/46-47 dated the 15th July and proposed in the circumstances detailed therein that Mr.D.K.Shankarappa who was till recently Food Inspector, Shimoga Town, may be appointed as Assistant Rationing Officer, Bhadravathi. Details regarding his service and qualifications have been mentioned in that letter.

4. I must state in this connection that the Deputy Commissioners have been continually pressing that in making promotions in this Department, senior and tried officials who have been doing good work in the Food Department in the Districts should be given their chance and that the promotions should not be restricted only to officials included in the Central Unit. Accordingly they were requested to send up lists of tried and competent officials whom they would recommend for promotions as Food Inspectors

or Assistant Rationing Officers. It was in pursuance of this that the name of Mr.N.M.Venkoba Rao proposed by the Deputy Commissioner, Mysore on grounds of specially good work done was sent up. The case of Mr.Shankarappa is on parallel lines. I have already sent to you with my letter of the 15th instant copies of two letters received from the Deputy Commissioner, Shimoga District urging the case of Mr.Shankarappa for appointment of an Assistant Rationing Officer. I would therefore strongly recommend that my present proposals may be approved and that the officials may be permitted to enter on their duties in anticipation of approval, if the introduction of rationing is to be given effect from 1st August 1947.

5. I may refer here also to your letter No.SD.511/R. 55-45 dated the 16th instant wherein you have enquired whether in view of the unsatisfactory nature of the stock position of foodgrains and the remote chances of imports to Mysore from abroad in the coming months, it would not be desirable to go slow in the matter of extension of legal card rationing to other towns. I may state that this very question seems to have been discussed at the informal Food Conference held at Delhi on the 13th instant when the implications of a policy of curtailment of Government responsibility in regard to distribution of foodgrains seemed to have been seriously considered and one of the foremost suggestions was the restriction of the extension of rationing to urban areas. I am of opinion that for the present it would be very desirable not to extend legal rationing to any more urban areas other than those already sanctioned by Government and that the proposals which are now pending before Government with regard to Malavalli, Chickballapur, Chintamani and Kolar may be deferred for the time being.

I have the honour to be,

DIRECTOR OF FOOD SUPPLIES.

Sir,

Subject:- Appointment of Assistant Rationing Officers.

With reference to your letter No.SD.1095/A:292-46-7 dated 30th July 1947, I have the honour to state that the reasons for recommending the name of Mr.H.N.Shankarappa for appointment as Assistant Rationing Officer, Bhadravati Old Town have been detailed in my letters Nos.C1.8136/46-47 dated 15-7-47 and 23-7-1947. The eligibility list referred to by you was not complete, and the appointment of Mr.Shankarappa had to be proposed, as statutory rationing in Bhadravati was imminently due and none of the several officials appointed to the post was willing to go to that place. His was the only name recommended by the Deputy Commissioner, Shimoga District, for appointment as Assistant Rationing Officer.

2. As regards Mr.B.Subba Rao, his name was not proposed for an Assistant Rationing Officer's place, as a special recommendation had been sent up on his behalf in this office No.C1.5723/46-47 dated 25-2-1947. But now in view of the instructions contained in your letter No.SD.895/A.236-46-6 dated 26-7-1947, it is proposed to give him his chance as Assistant Rationing Officer in an existing vacancy caused by the appointment of Mr.V.E.Edwin, M.A., as Amildar.

3. At present there is no consolidated list for the whole State, of officials eligible for appointment as Assistant Rationing

p.t.o.

Officers. Hitherto officials in the running for the job according to the seniority list maintained for the Central Unit, as well as officials working in the Food Department specially recommended by the Deputy Commissioners on grounds of merit have been proposed for appointment as Assistant Rationing Officers.

4. In this connection, the Revenue Commissioner has sent a list of names for inclusion in the eligibility list of Assistant Rationing Officers. Their pay in the Revenue Department is however seen to vary between Rs.82/- to Rs.76/-. As they have obviously no experience of rationing work in the Food Department and as the Food Inspectors in the Department are already drawing Rs.100/- plus Rs.20/- C.A. I am of opinion that it would not be in the public interest to appoint the officials suggested by the Revenue Commissioner straightaway as Assistant Rationing Officers in preference to experienced Food Inspectors. Even if they should be appointed as Food Inspectors in the first instance, it would operate as a hardship on those who have been working in the Department as Fuel Inspectors and Assistant Food Inspectors and have been doing good work in and outside the State and are due for promotion. I have already reported in my letter No.P.C.57/46-47 dated 9-6-1947 that there is stagnation in the lower ranks of the executive service in this Department and their grievances would only be aggravated if wholly new men from the Revenue Department are appointed over their heads in the few promotion vacancies that arise from time to time. I would therefore urge that promotions in the Department may be reserved to those working in the Department - either in the Central or Deputy Commissioners' Units.

In this connection, the Deputy Commissioners have been requested to send up the names of suitable senior officials working in the Food Section for consideration in connection with the appointment of Food Inspectors in future vacancies, and lists of such names have been received from all the Deputy Commissioners excepting Hassan and Chitaldrug. A consolidated list of eligible officials is under preparation keeping in view all these considerations.

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR OF FOOD SUPPLIES.

ORDER NO. SD. 45 15-19/A.292-46-7,

DATED, BANGALORE, THE 15th Dec' 1947.

1. The question of proper selection of officials for appointments as Asst. Rationing Officers in the Food Supplies Department, has been under the consideration of Government for sometime past. In the absence of a consolidated list of officials eligible for such ~~Order thereon~~ appointments and in view of urgency of Asst. 2. In connection with the introduction of Rationing in urban areas, Government have, in their Order No. SD.1317-27/A.232-43-3, dated, 28th/29th August, 1944, sanctioned, among

mong other things, the following basic
cale of executive staff with the direc-
ion that the appointments may be made
n towns to which legal card rationing

ment:

For the Taluks:-

3. The Asst. Rationing Officers have to perform certain statutory duties under the Mysore Rationing Order (Food), and the Mysore Ration Census Order, 1943, issued under the Defence of India Rules as applied to Mysore. They have also to attend to the very responsible work of regulating the distribution of essential commodities and supervision of rationing arrangements, in their respective jurisdiction. In order to afford equal opportunity to able and experienced officials of the Department as a whole, it is desirable to (1) prepare a list of officials eligible for such appointments, taking into consideration

the claims of those working in the several offices and in the Districts;

(2) consider and decide whether selection to such posts should be restricted to officials of the Food Department only and, if not, the proportion in which the posts should be distributed between the officials of the Food Department and the Revenue Department.

Government are accordingly pleased to constitute a committee consisting of the following Officers to lay down a definite procedure in the matter of appointment of Asst. Rationing Officers and to draw up a list from which to make such appointments in future:-
